11th Annual
Silent Walk

Break the Sound Barrier!

The Saskatchewan Deaf & Hard of Hearing Services **SILENT WALK** is a fundraising walk for everyone. Walkers, runners, and rollers have the option to temporarily experience a world of silence by using earplugs to simulate the invisible communication barrier associated with hearing loss.

This event was created to help people better understand hearing loss, and to raise funds in support of public education and services for Deaf, Deafened, and Hard of Hearing citizens living in Saskatchewan.

Saskatoon at the Forestry Farm Park & Zoo
Regina at Wascana Park
